Re: PPL Electric Utilities Corporation
Petition For Approval of a Competitive Bridge Plan
Results of Request for Proposals Process – Large C&I Hourly Service

Dear Mr. Russell:

On November 17, 2009 PPL Electric Utilities Corporation (PPL) filed the results of its Large C&I Hourly Service RFP. The service solicited in this RFP facilitates an hourly pricing option for large C&I customers during the period January 1, 2010 to December 31, 2010.

This filing is submitted in accordance to the RFP Process and Rules filed by PPL Electric on May 22, 2007 and approved by Secretarial Letter on June 5, 2007. The RFP Process and Rules were filed pursuant to the Commission's Opinion and Order, entered May 17, 2007, at Docket No. P-00062227. PPL Electric filed the Petition at P-00062227 to request approval of a Competitive Bridge Plan to establish terms and conditions under which PPL Electric will supply provider of last resort service during 2010, as a transition to a fully competitive statewide market beginning January 1, 2011.

PPL Electric requests that the Commission approve the bid results from the Hourly Service RFP on or before November 19, 2009.

Further investigation does not appear to be warranted at this time, since the bid results from the Hourly Service RFP appear to have been conducted in accordance with the RFP Process and Rules, filed pursuant to the Commission's Opinion and Orders.

Therefore, we approve the bid results submitted for the Hourly Service RFP.
