

To provide timely electric service to your facility, **an accurate and complete application is essential.**

Please complete the entire application and return it as soon as possible. Your application will be processed within two working days after we receive a satisfactorily completed application. We will then issue you a confirmation letter informing you of your work request number. The work request number is unique to your job and will be used to track its status.

If you have any questions concerning this application, please contact PPL Electric Utilities' Industrial & Commercial Services (ICS) at 1-888-220-9991 option 4, or refer to PPL's Rules for Electric & Meter Service Installations at <http://www.pplelectric.com/Business+Partners/Tools+and+Reference+Center/Rules+For+Electric+Meter+and+Service/>

Return only the completed application at this time. Our confirmation letter will instruct you where to send drawings and other supporting information.
