**Re: PPL Electric Utilities Corporation-
Consumption Forecast and Peak Load Data
Docket No. M-2008-2069887**

Dear Mr. McNulty:

Enclosed for filing on behalf of PPL Electric Utilities Corporation ("PPL Electric") are an original and three (3) copies of its consumption forecast for the period June 1, 2009 through May 31, 2010, and peak load data for the period June 1, 2007 through May 31, 2008. Also enclosed is a compact disc containing hourly peak loads for the period identified above. PPL Electric is submitting this information pursuant to the Public Utility Commission's ("Commission") Implementation Order entered on January 16, 2009, at the above-captioned docket.

Pursuant to the terms of the Commission's January 16 Order and discussions with the Commission's Secretary, PPL Electric is serving copies of this filing upon the Office of Consumer Advocate, Office of Small Business Advocate and the Commission's Office of Trial Staff. In addition, PPL Electric is posting this filing and all supporting data, including the peak load data identified above, on its Act 129 website. The URL address for that website, which is available to all interested parties and to the public, is www.pplact129.com.

In addition, please date and time-stamp the enclosed extra copy of this letter and return it to me in the envelope provided.

If you have any questions regarding this filing or PPL Electric's Act 129 website, please call me at (610) 774-4254, or David Woodruff, PPL Electric's Manager-Load Analysis, at (610) 774-6833.

Very truly yours,
