

2010 Estimated Price to Compare

The 2010 generation prices listed here are final based on 6 RFPs. The transmission prices are based on current information available and will not be finalized until December 2009 when the over/under collection for the transmission service charge is better known. The State Tax Adjustment Surcharge (STAS) is an estimate and actual numbers will not be available until December 2009.

Rate	Generation** (¢ / KWH)	Transmission** (Estimated for 2010) (¢ / KWH)	PA Tax Adj Surchg.* (Estimated for 2010) (¢ / KWH)	Estimated Price to Compare* (¢ / KWH)
