2. Introduction

The PPL Electric Utilities RFP Manager Team (“PPL Electric RFP Team”) will notify applicants whether they are Qualified Bidders for the July 2011 solicitation on July 11, 2011. Only Qualified Bidders may submit Bid Proposals.

Qualified Bidders submit their Bid Proposals online in the following manner:

- The Qualified Bidder fills out a Bid Proposal Spreadsheet for each RFP and for each Product for which the Qualified Bidder is submitting a Bid Proposal.
- The Qualified Bidder sends its Bid Proposal(s) to the PPL Electric RFP Team using PPL’s secure electronic file transfer system.
- The PPL Electric RFP Team confirms receipt by phone by providing a Tag Number for each Bid Proposal Spreadsheet.

Each of these steps is outlined below. Tips and recommendations on how to avoid errors are provided in Section 8.

3. Step 1: Downloading Bid Proposal Spreadsheets

There are separate Bid Proposal Spreadsheets for the Full Requirements RFP, for the Block Supply RFP, for the Optional Monthly Pricing Service (“OMPS”) RFP, for the Alternative Energy Credits (“AEC”) RFP and for the Solar Renewable Energy Credits (“SREC”) RFP. Within each RFP, there is a Bid Proposal Spreadsheet specific to each Product in that RFP.

The Bid Proposal Spreadsheets are available on the RFP Web site (www.pplpolr.com) by clicking on the “Supplier Documents” link under the sections titled “DSPP” and “AEPS”:
