**RE: Petition of PPL Electric Utilities Corporation for Expedited
Approval to Procure a Long-Term, 50 MW Block of Default Supply
for Residential Customers Pursuant to the Settlement of the Default
Service Procurement Plan
Docket Nos. P-2010-2213354 and P-2008-2060309**

Dear Mr. Tubbs:

On December 2, 2010, PPL Electric Utilities Corporation submitted a petition for approval of a long-term, 50 MW block of default supply for residential customers pursuant to the settlement of the Default Service Procurement Plan in docket number P-2008-2060309.

On February 17, 2011, the Commission entered a Tentative Order approving and modifying the petition. The Commission ordered that any comments to the Tentative Order be submitted within 10 days of its issuance. The Commission further ordered that absent the filing of adverse public comment within the prescribed period, the Tentative Order would become final without further action by the Commission.

Having received no adverse public comments, the Tentative Order has become final.

Sincerely,

Rosemary Chiavetta
Secretary
