Re: PPL Electric Utilities Corporation  
Petition for Approval of a Default Service Program and Procurement Plan for the  
Period January 1, 2011 through May 31, 2013  
Results of Request for Proposals Process – January Solicitation

Dear Mr. Russell:

On January 20, 2010, PPL Electric Utilities Corporation (PPL Electric) filed the results of its Request for Proposals (RFP) Process and Rules (October Solicitation), including the proposed bid results for provider of last resort service for all Residential and Small Commercial and Industrial Customers electing to receive default service from PPL Electric beginning January 1, 2011, at Docket No. P-2008-2060309. The January Solicitation includes results for multiple RFPs: full requirements RFPs, a block energy RFP, and alternative energy credits (AEC) RFPs. These RFPs apply to an 8 month and 11 month supply period starting on January 1, 2011, and ending on August 31, 2011, and November 30, 2011, respectively.

This filing is submitted in accordance to the RFP Process and Rules filed by PPL Electric on July 1, 2009. The RFP Process and Rules were filed pursuant to the Commission's Opinion and Order, entered June 30, 2009, at Docket No. P-2008-2060309.

PPL Electric requests that the Commission approve the bid results from the January Solicitation on or before January 21, 2010.

Further investigation does not appear to be warranted at this time, since the bid results from the January Solicitation appear to have been conducted in accordance with the RFP Process and Rules, filed pursuant to the Commission's Opinion and Order.

Therefore, we approve the bid results submitted for the January Solicitation.

Please direct any questions to Paul Diskin, Energy Manager, Bureau of Fixed Utility Services, at (717) 214-5558.

Sincerely,

A handwritten signature in black ink, appearing to read "James J. McNulty". The signature is fluid and cursive, with a large initial "J" and "M".

James J. McNulty  
Secretary
