Re: PPL Electric Utilities Corporation
Petition For Approval of a Default Service Program and Procurement Plan for the
Period January 1, 2011 through May 31, 2013
Results of Request for Proposals Process – First Solicitation

Dear Mr. Russell:

On August 12, 2009, PPL Electric Utilities Corporation (PPL Electric) filed the results of its Request for Proposals (RFP) Process and Rules, including the proposed bid results from the first of several solicitations (First Solicitation), for provider of last resort service for all Residential and Small Commercial and Industrial Customers electing to receive default service from PPL Electric beginning January 1, 2011, at Docket No. P-2008-2060309. The First Solicitation includes results for three RFPs: a full requirements RFP, a block energy RFP and an alternative energy credits RFP. All RFPs apply to the 5-month supply period starting on January 1, 2011 and ending on May 31, 2011.

This filing is submitted in accordance to the RFP Process and Rules filed by PPL Electric on July 1, 2009. The RFP Process and Rules were filed pursuant to the Commission's Opinion and Order, entered June 30, 2009, at Docket No. P-2008-2060309.

PPL Electric requests that the Commission approve the bid results from the First Solicitation on or before August 13, 2009.

Further investigation does not appear to be warranted at this time, since the bid results from the First Solicitation appear to have been conducted in accordance with the RFP Process and Rules, filed pursuant to the Commission's Opinion and Order.

Therefore, we approve the bid results submitted for the First Solicitation.

Please direct any questions to Paul Diskin, Energy Manager, Bureau of Fixed Utility Services, at (717) 214-5558.

Sincerely,
