Tier I Non-Solar	12-Months		15,416		\$ 1.65		
Tier II	12-Months		24,971		\$ 0.19		

Notes:

- 1 - The prices do not reflect the gross up for line losses and taxes to derive the retail price to customers.
- 2 - The Block Energy price is for around-the-clock energy and does not include capacity, ancillary service, and AECs.
- 3 - The Tier I and Tier II AECs are procured for the Block Energy supply.
