Instructions & Additional Information for Completing and Processing Application

- > **Applicant** is the person and/or engineering, architectural, construction or similar firm acting for the requestor.
- > **Requestor** is the signature element that will appear on the encroachment agreement.
- > **Property Owner** is the current owner of record as shown on the deed.
- > Applicant must submit **one full set of drawings** which show all existing and proposed conditions in and around the PPL right of way, property boundaries, easements & utilities (including PPL's structure locations and ID numbers), existing conditions and all proposed improvements within and around the easement
- > A copy of the current deed must be submitted with the application.
- > See Table for list of Prohibited uses and those that are potentially allowed.
- > Return application and supporting information to: Transmission Right of Way Department, PPL Electric Utilities – GENN4, 2 N. 9th Street, Allentown, PA 18101 or Recipients email: transmissionencroachments@pplweb.com
- > A review fee, based on the complexity of the improvements, will be charged for processing a request. Upon review of the plans, PPL will determine the fee.
