(1) The GSC and the TSC reflect the statutory PA Gross Receipts Tax (GRT) of 5.9%. The State Tax Adjustment Surcharge (STAS) reflects the incremental GRT pursuant to 72 P.S. § 8111-A(d) less any applicable refunds (0.004%). Note: A change to the STAS rate, effective 1/1/15, is likely. If that occurs, it could change the PTC for the 1/1/15 through 2/28/15 period.

(2) The Real Time Price (RTP) includes the PJM real time hourly price with a correction for losses based on customer voltage level, the customer specific capacity value, administrative charges, over/under collection amounts from the previous period determined by the Company's monthly reconciliation process and applicable GRT.

(3) Pursuant to the PUC's Order, entered on September 11, 2014, at Docket No. P-2013-2389572, the TOU Price Option ends with each TOU customer's first meter reading after December 10, 2014. Beginning on December 10, 2014, the Pilot TOU Program replaces the TOU Price Option.
