2. Introduction

The PPL Electric Utilities RFP Manager Team (“PPL Electric RFP Team”) will notify applicants whether they are Qualified Bidders for the January 2013 solicitation on January 14, 2013. Only Qualified Bidders may submit Bid Proposals.

Qualified Bidders submit their Bid Proposals online in the following manner:

- The Qualified Bidder fills out a Bid Proposal Spreadsheet for each RFP and for each Product for which the Qualified Bidder is submitting a Bid Proposal.
- The Qualified Bidder sends its Bid Proposal(s) to the PPL Electric RFP Team using PPL’s secure electronic file transfer system.
- The PPL Electric RFP Team confirms receipt by phone by providing a Tag Number for each Bid Proposal Spreadsheet.

Each of these steps is outlined below. Tips and recommendations on how to avoid errors are provided in Section 7.

3. Step 1: Downloading Bid Proposal Spreadsheets

There are separate Bid Proposal Spreadsheets for the Full Requirements RFP, for the Block Supply RFP, for the Optional Monthly Pricing Service (“OMPS”) RFP, and for the Alternative Energy Credits (“AEC”) RFP. Within each RFP, there is a Bid Proposal Spreadsheet specific to each Product in that RFP.

The Bid Proposal Spreadsheets are available on the RFP Web site (www.pplpolr.com).

The screenshot shows the 'At Your Service' page for Generation Suppliers. A search bar is at the top right. The main heading is 'For Generation Suppliers' with a sub-heading 'Welcome current and future wholesale and retail generation suppliers'. Below this is introductory text about the Generation Supplier Reference Information section. A left navigation bar contains several links, including 'General Supplier Reference Information', 'Approved Registered Electric Suppliers Login', 'Default Service Suppliers - DSPP', 'Default Service Suppliers - AEPS', and 'Electric Generation Supplier Coordination Tariff'. Two red callout boxes with arrows point to the 'Default Service Suppliers - DSPP' and 'Default Service Suppliers - AEPS' links. The first callout box contains the text: 'Click here for information on Full Requirements, Block or OMPS RFP.' The second callout box contains the text: 'Click here for information on AEC RFP.'

Click above links to expand left navigation bar for DSPP and AEPS sections. Bid Proposal Spreadsheets are found under “Supplier Documents” section on left navigation bar.

Two screenshots of the 'At Your Service' page are shown side-by-side. The left screenshot is for 'Default Service Suppliers - DSPP' and the right is for 'Default Service Suppliers - AEPS'. Both pages have a similar layout with introductory text and a left navigation bar. In both screenshots, the left navigation bar is expanded to show a 'Supplier Documents' section. A red dashed box highlights this section in both. A red callout box with an arrow points to the 'Supplier Documents' link in both navigation bars. The callout box contains the text: 'Bid Proposal Spreadsheets are found on the “Supplier Documents” webpage.'

You must download a Bid Proposal Spreadsheet for each RFP and for each Product for which you are submitting a Bid Proposal.

The screenshot shows the PPL Electric Utilities website. At the top, there is a navigation bar with links for 'Contact Us', 'Report an Outage', '1-800-342-5775', and social media icons. Below this is a secondary navigation bar with 'Home', 'My Account', 'At Your Service', 'Save Energy & Money', 'About Us', and 'Sign In'. The main heading is 'At Your Service'. On the left, there is a sidebar with a 'For Generation Suppliers' section and a list of links including 'General Supplier Reference Information', 'Approved Registered Electric Suppliers Login', 'Default Service Suppliers - DSPP', 'Register', 'RFP Results', 'RFP Schedule', 'Bidder Information Session', 'Rate Categories and Load Data', 'DSPP Supplier Documents' (circled in red), 'NYPA Contracts', 'Size Distributions', 'PJM Deration Factors', and 'Alternative Energy'. The main content area is titled 'DSPP Supplier Documents'. It includes a search bar, a 'Choose product' dropdown menu with options like 'Block', 'Load Following', and 'Optional Monthly Pricing Service', and a 'Long-term Product' link. Below this, there is a 'Block' section with a list of documents. The document 'Appendix 8, Bid Proposal Spreadsheet (.xls)' is circled in red. Other documents include 'RFP Process and Rules', 'Appendix 1, Supply Master Agreement', 'Appendix 2, Expression of Interest Form', 'Appendix 3, Confidentiality Agreement', 'Appendix 4, PJM Qualification Certification Form', 'Appendix 5, FERC Authorization Certification Form', 'Appendix 6, Credit Application', 'Appendix 7, Bid Assurance Letter of Credit', 'Appendix 9, Binding Bid Agreement', 'Appendix 10, Binding Bid Withdrawal Agreement', 'Addendum', and 'RFP Qualifications Checklist'. There are also sections for 'Additional Supplier Documents' and 'Block Acceptable Modifications to Credit Instrument'.
